How to complete these lessons:

- Go through each lesson and follow the instructions to complete the reading comprehension exercises
- When you're done, pull up Microsoft Word (or a similar program) and have the student write a similar sample to the one in the lesson
- Review the sample and make corrections as needed
- Note consistent mistakes that are made over time and raise awareness of them to your student
- Over the next few sessions, introduce mini lessons to teach the student the correct form of the mistakes they consistently make
