1

Levels of education in the U.S.

Look at the types of schools and match them with the different ages on the right.

- | | |
|----------------------|------------------|
| 1. high school | a. a 12-year-old |
| 2. elementary school | b. a 16-year-old |
| 3. preschool | c. a 20-year-old |
| 4. college | d. a 4-year-old |
| 5. middle school | e. an 8-year-old |

Make sentences about your family or friends like in the example:

My little cousin goes to elementary school.

2

Good student vs. bad student

Look at the sentences below. Decide which students are good (G) and which are bad (B).

1. Paul is never late and he always does his homework on time.
2. Lidia always pays attention in class.
3. Carlo often cheats on tests. One day, he'll get in trouble.
4. Kate doesn't concentrate in class. She draws pictures in her notebook instead.
5. Mark annoys the teacher because he doesn't sit still during class.
6. Susan studies very hard. I think she'll pass all her tests.
7. Daniel annoys the teacher because he's so noisy.
8. Alice never listens to the teacher. She prefers to talk to her friends.

3 School phrases

Match the words to form phrases from the sentences in exercise 2.

- | | |
|----------|--------------------------|
| 1. cheat | a. attention |
| 2. stay | b. for a test |
| 3. study | c. on tests |
| 4. do | d. quiet during class |
| 5. annoy | e. the teacher |
| 6. pay | f. your homework on time |

Use the phrases to tell your partner if you were a good or bad student at school like in the example. Use adverbs of frequency like 'always', 'never', 'usually', 'sometimes'.

"I never cheated on tests."

4 Adjectives

Look at the list of adjectives and say which ones are positive and which are negative.

- | | | | |
|-----------------|---------|-----------|-----------------|
| 1. hard-working | 3. loud | 5. stupid | 7. creative |
| 2. clever | 4. lazy | 6. polite | 8. well-behaved |

Describe the students in exercise 2 with these adjectives.

5 Education phrases

Match the two halves of each sentence.

- | | |
|--|---------------------|
| 1. When you graduate from college, you | a. attend lectures. |
| 2. At the end of high school, you | b. fail the tests. |
| 3. During university education, you | c. get a degree. |
| 4. If you want to do well in your classes, you have to | d. get a diploma. |
| 5. If you want to get a degree or diploma, you must | e. pass the tests. |
| 6. If you want to get a degree or diploma, you can't | f. study. |

Now make sentences about yourself using the phrases from this exercise.

6

Talking point

Discuss any of the questions below.

1. Describe the school you went to.
2. Describe the school system in your country.
3. Is education very important for getting a good job in your country?
